## **Profile:**

---

Enthusiastic and detail-oriented Frontend Developer with foundational knowledge in HTML, CSS, and JavaScript. Possesses hands-on experience through personal projects and academic coursework, with a keen interest in creating responsive and user-friendly web interfaces. Adept at working with modern web development frameworks and tools, including React and Bootstrap. Demonstrates strong problem-solving skills, a passion for continuous learning, and an eagerness to contribute to dynamic development teams. Ready to leverage technical skills and creative thinking to deliver high-quality web applications.
